c/o National Imagery and Mapping Agency
4600 Sangamore Road D-56
Bethesda, Maryland 20816-5003.

Note: Maintenance authority for FIPS 10 was transferred from the Department of State to the National Imagery and Mapping Agency (NIMA) in 1997. NIMA's goal is to update the standard with quarterly change notices deriving from results of quarterly US BGN Foreign Names Committee (FNC) meetings. The specific FNC meeting at which a change was approved is noted parenthetically following each country name. Digital copies of change notices (with and without diacritical marks) will be posted on NIMA's GEOnet Names Server (accessible at <http://www.nima.mil/gns/html/index.html>).
